

DOGGY PLACEMAT

SUPPLIES:

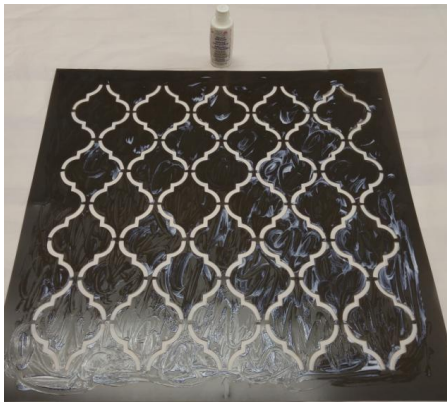

Airbrainz Airbrush kit
Testors Acrylic Paint Set
Testors Acrylic Black Marker
Placemat
Stencils
Stencil Glue

STEPS:

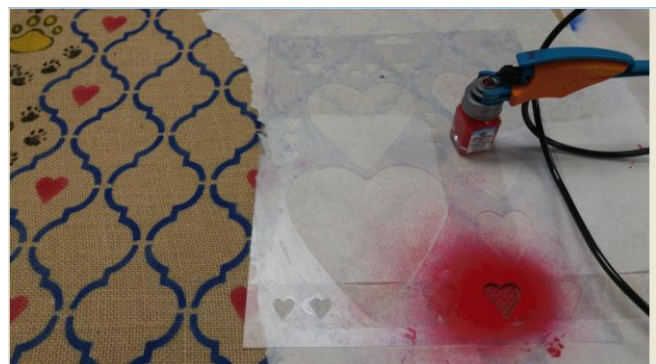

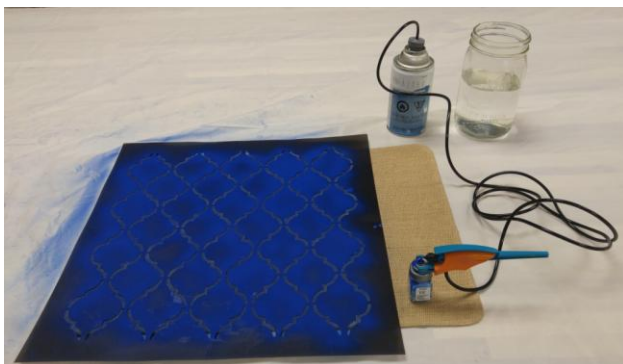

1. Gather supplies listed for this project.

2. Add stencil glue to the back side of the stencils.

3. Add the Testors ¼ oz. acrylic paints using the Airbrainz airbrush to each of the stenciled areas.

4. Use the Testors black acrylic marker to outline the large paws and fill in the small paws.

5. You and your dog can enjoy the finished product!
